WILSON FINDS IT HOT AT SUMMER CAPITAL

President Motors Three Miles Through Dust With Thermometer 90 De-grees in the Shade.

Cornish, N. H., July 5 .- President Wilson, in search of relief from the sizzling weather at Washington, found a temperature of 20 degrees in the shade awaiting him when he arrived at the Wilson summer home here

at the Wilson summer home here shortly before noon today.

Mrs. Wilson and their youngest daughter, Miss Eleanor, met the president at the railway station in Windson, Vt., where also a little party of villagers welcomed him with a cheer. Stopping only long enough to make his acknowledgements and lift his hat. Mr. Wilson joined his family in a white house automobile and motored through three miles of dust to Harlakenden house.

house. The president made it plain to the correspondents that he would do no work while here but if there came from Washington an intimation of public business he would return to the capital immediately. Otherwise he would remain here until Taesday or Wednesday.

TO PREVENT JUDGE FROM HEARING CASE

Writ of Prohibition Filed by Attorney

prohibition in the case of A. B. Conley et al against W. S. Augerson, Judge of the 27th judicial district, et al. San Antenia, was filed today in the supreme court by the attorney general en behalf of the relators.

of the relators.

The writ is not only against judge Anderson, but also against the Daughters of the Republic, and is to restrain the district judge from hearing the application for an injunction which is set for hearing on July 8, or from granting any relief sought for by the daughters of the Republic.

It is not likely that the supreme court will set on the application until Monday or Tuesday.

The afformery general, on behalf of the relators, alleged that the last suit brought by the Daughters on July 1, in the 27th district court, was not brought in good faith for determining any issue.
